ScholarGPS provides rankings of individuals and institutions Overall (in all Fields), in 14 broad Fields (such as Medicine, Engineering, or Humanities), in 177 Disciplines (such as Surgery, Computer Science, or History), and in over 350,000 Specialties (such as Cancer, Artificial Intelligence, or Ethics).

You can view the profile of [Federal University of Minas Gerais](#) to see Highly Ranked Scholars, Top Scholars, Highly Cited Publications, and your institution's rankings in various Fields, Disciplines, and Specialties.

Note that Highly Ranked Scholars (different than Top Scholars) are the most productive (number of publications) authors whose works are of profound impact (citations) and of utmost quality (h-index). The scholarly contributions of Highly Ranked Scholars position these eminent individuals within the top 0.05% of all scholars worldwide.

We regret to note that you haven't claimed your profile. Upon registering and claiming your profile for free, you will have the ability to make several edits. These include modifying your affiliation and affiliation history, changing Disciplines, and managing archival publications with DOIs by adding or deleting them from your profile as needed. Furthermore, users can merge multiple profiles by submitting a request form after claiming their primary profile. In addition to providing you with the ability to make edits if needed, claimed profiles give you increased visibility and recognition across multiple search engines.

To register, click the "Register" button at the top right of the <https://scholargps.com> homepage and follow the instructions. Registration is required before you can claim your profile. Once registered, click the "Claim" button at the top right of your profile page and follow the instructions. If you register using your institutional email address, you can automatically claim your profile. Otherwise, you will need to complete a request form.
